IRTTAA-vin Neradi Eliya Samuga Atharavu Karam [NESAm]

Published version 1.0

16th Feb 2025

1 Name of the program

The name of the program shall be “**Neradi Eliya Samuga Atharavu Karam**”, in short referred as **NESAm** and will be treated as an Alumni Welfare Program launched by IRTT Alumni Association.

2 Brief introduction to the program

- In an unfortunate event when a colleague or a friend of ours passes away, we go to their house to pay our last respect and console their family members. Typically, we go there along with a garland.
- As part of NESAm, we collect a small amount as a *Death Fraternity Contribution (DFC)* from the NESAm Registered Members, for demise of each of the NESAm Member.
- NESAm program pools the money thus collected and gives it to the family of the deceased alumni for immediate relief and in a sense saying indirectly “**We care!**”
- No other program in the world can give such a huge benefit to the deceased NESAm Member’s Family with such a low contribution. When the bread winner of the family passes away, the family will be in deep trouble arranging funds immediately. NESAm supports the family of the deceased in a short span of time, particularly when the family needs financial support.

3 Office of the Program

The office of this program shall be situated in the same place as the registered office of the IRTTAA. At present the office is functioning at the following address:

IRTT Alumni Association (IRTTAA)
Government College of Engineering, Erode
(Formerly known as Institute of Road and Transport Technology)
Sri Vasavi College Post, Erode – 638 316. Tamil Nadu.

4 Byelaws of the Program

This governing body will follow the prevailing byelaws of the Institute of Road and Transport Technology Alumni Association (IRTTAA).

5 Aims and Objective of the Program

1. To provide immediate substantial financial aid to the bereaved family of the NESAm member on his/her demise.
2. To promote Life/ Patron Membership of IRTTAA.
3. To promote Alumni Welfare Activities of IRTTAA.

It will be a single stop for the entire NESAm program operations such as membership registration, one time membership fee contribution payment and DFC contribution payment, communications and reminders.

7 Advantages of NESAm over other Term/ General Insurance Programs

1. There is no need to pay a regular premium every year. Regular insurance policies require the insured person/ policy holder to pay premiums regularly every year, even if the policy holder does not have any need to use the insurance (meaning the policy holder and the dependents of the insurance policy is hale and healthy).
2. DFC contribution for each NESAm member demise is very minimal compared to any other insurance program available in the open market.
3. The NESAm program will give an Incomparable Satisfaction of helping the family of a deceased IRTT alumni who is also a NESAm Member.
4. Patron/ Life Members of IRTAA up to the age of 60 can join the program.

2. Members will be informed about the fraternity contribution payment to be made by individual notice immediately after the demise of the NESAm Member, via the Mobile App notifications.
3. The NESAm Members need to **pay** the **DFC** Contribution **within 30 days** from the notification through the Mobile App.
4. The DFC slab will be based on the age of the contributing NESAm Member as on the date of the demise of the fellow NESAm Member for whom the DFC is being collected.
5. The DFC will be collected from all members **until** the **age** of **70**. Beyond this, while they are eligible for the benefit, they will not be contributing to the DFC.
6. To enable ease of collection of the DFC, at the time of registration or on a periodic basis IRTTAA may require the members to issue standing instruction with their bank enabling deducting the DFC from their bank account as and when required. Any alternative way of collecting this fee may also be adopted by the committee if it is viable and limited to collecting the applicable DFC.

11.1 Terms & Conditions

1. During the time of registration, a refundable deposit is collected (5 times the DFC based on the age at the time of registration).
2. If the DFC is not paid within 30 days, monthly reminders will be sent to the members, requesting them to make the payment at the earliest.
3. The membership will be maintained in “active” state for a period of **1 year** from the first instance of non-payment of DFC (after the 30-day window). This period is also referred to as the **notice period** for that member in the NESAm Program.
4. If the member clears all the existing DFC dues within the notice period, the notice period will end, and the membership status will continue to be active.
5. At the end of the notice period, if the DFC dues were not cleared, a notification will be given to the NESAm Member with total outstanding to be paid immediately, with a **grace period** of **15 days**.
6. At the end of the grace period, if the total outstanding was not cleared, then NESAm Membership of the alumni in the NESAm Program will be marked Inactive and the membership will be considered as lapsed.
7. The refundable deposit collected during the registration shall be adjusted against the outstanding dues.
8. In the event of any amount remaining in advance received after deducting the total outstanding DFC Dues, the same will be refunded to the NESAm Member’s account when written communication from the NESAm Member is received. Until a written communication is received from the NESAm Member in this regard, the amount will remain in the DFC Corpus in the NESAm Program.
9. After the NESAm Membership is lapsed, if the alumni wish to re-join the NESAm Program later, they need to register in the program as a fresh applicant with the appropriate one-time non-refundable deposit to the NESAm Program, corresponding to their current age.
10. The NESAm Program will be **applicable** to all the NESAm Members for their **entire lifetime**, as long as their membership is active by regularly paying the **DFC** dues without delay resulting in the lapsing of their membership, **up to the age of 70**.
11. If an NESAm Member faces an unfortunate event
 - a. During the notice period (until the membership is marked as Lapsed), the claim will be settled to the nominee after deducting the outstanding DFC dues by the NESAm Member.

- b. After the membership is lapsed, the program cannot support the family with their claim and the claim will be dishonoured.
12. If any reasonable context is brought to the notice of the NESAm Committee where an NESAm Member was mentally/ economically in a bad situation which prevented them from paying the DFC dues on time which resulted in the lapsing of membership, the claim from the nominee may be honoured under special circumstances. The decision of the IRTTAA Office Bearers and NESAm Committee will be final and binding in evaluating whether the context is reasonable or not in this regard.

12 Claim Settlement to the Nominee of the Deceased NESAm Member

1. Claim settlement for any NESAm Member is only possible after the program is activated as described in section 8.1 *Activation plan for the Program above*
2. The claim will not be processed for any cause other than the death of an active NESAm Member.
3. After the program is activated, the claim for any deceased alumni will be considered only **3 months after** the date of registration. This period is referred to as the **dormant period**. Exception may be considered if the cause of death of the NESAm Member is **natural** or **accidental** and **not self-inflicted**.
4. The one-time claim settlement will be given to the nominee(s) of the deceased NESAm member, only when the deceased NESAm Member is active with no outstanding DFC dues or in notice period. If the membership was lapsed, the claim would not be processed.
5. The claim form needs to be filled out with the details of the nominee(s), the bank account details along with the signature of the nominee(s).
6. Refer to *Annexure D: Illustration of possible one-time Claim Settlement amount* which explains the total amount the nominee of the deceased NESAm Member will receiving as a one-time settlement from this program.

12.1 Claim process

1. The family members and nominees will be intimated that the deceased alumni have subscribed to the NESAm Program.
2. The program benefits will be explained to them with the statistics of the active NESAm Member count.
3. Their eligibility to claim the one-time settlement from the DFC of the existing NESAm Members will be explained.
4. The family members will be requested to arrange the following information for record purposes of this program.
 - a. IRTTAA Membership Card
 - b. Attested Copy of the Death Certificate obtained from the competent authority.
 - c. Requisition letter from the nominee(s) to sanction the amount along with the filled, signed death benefit claim form.
 - d. All the documents needs to be sent to the official email id nesam@irtt alumni.org, keeping secretary@irtt alumni.org in copy.
5. Once the request is received the claim will be processed and the DFC amount will be paid to the nominee(s).

12.2 Beneficiaries

1. The DFC will be given to the nominee(s) as per the latest records available in the profile of the deceased NESAm Member, which was collected during the registration or updated thereafter.

15 Annexure B: Schedule of Death Fraternity Contribution (DFC)

Completed age of Contributing NESAm Member [on date of demise of another NESAm Member]	Applicable DFC
Up to 25 years	₹ 100
26 to 30 years	₹ 200
31 to 35 years	₹ 400
36 to 40 years	₹ 500
41 to 45 years	₹ 500
46 to 50 years	₹ 500
51 to 55 years	₹ 500
56 to 60 years	₹ 500

15.1 Remarks

1. The contributing NESAm Member needs to pay the corresponding DFC as indicated against his/her age as on date of the demise of another fellow NESAm Member for whom the DFC notification is received.
For e.g.,
 - Mr. Ramaswamy joined the NESAm Program at the age of 32, and he will be contributing ₹ 400/- per demise of another NESAm member, till his age is 35.
 - Once Mr. Ramaswamy completes 35 years, he will be requested to contribute ₹ 500/- per demise of another NESAm member.
 - The same will be applicable to the Advance DFC collected too.
2. The DFC may be revised based on the NESAm membership status in the years to come, which will be passed as a resolution in the Annual General Body Meeting or in an Extra Ordinary General Body Meeting.

18 Annexure E: Comparison with Group Term Life Insurance

An attempt is made to implement this program via the Group Term Life Insurance from leaders in the Insurance domain, instead of managing this by us by collecting DFC from all the members.

18.1 Advantages

1. The Sum Insured will be a fixed amount for all death claims.
2. No overhead of collecting DFC from all members for the association.

18.2 Disadvantages

1. Most insurance providers do not support Group Term Life Insurance for an organization like ours, but only for organizations with Employer-Employee relationships.
2. Cannot cover any Alumni living outside India.
3. Those who support Group Term Life Insurance for organizations like ours want to cover the entire membership base and not a subset of members from the group.
4. The first-year premium is high (in the tune of ₹ 4,000/- - ₹ 5,000/-) per person, and it will be revised with a minimum hike of 8%-10% on renewal, provided the claim ratio in the current year is less than 100%. In the event of Claim Ratio being more than 100%, then the renewal premium will factor in this also, leading to a possible huge hike in the premium at the time of renewal.

18.3 Conclusion

After weighing in the advantages & disadvantages involved, it is decided to manage the NESAm by crowdfunding by collecting DFC from all members instead of opting for Group Term Life Insurance from any insurance provider.
